

Schedule 40 and 80 conduit, fittings, and PVC enclosures, Cantex is your stock and service partner.

Answering the call as a lightweight, cost-effective, and resilient raceway for today and tomorrow.

Bolted Framing – Durable and adaptable channel and accessories to build and support your installation no matter what!

Cable Tray – B-Line is how to spell cable management. Tray, basket, rail, and cleats, one name is all you need.

Enclosures – Solutions for commercial and industrial applications from stock or modified to your need.

Fasteners – Speed your rough-in installations with B-Line spring steel fasteners for conduit, cable, box, and light installations. Designed to save time and frustration.

Commercial – Steel boxes, fittings, weatherproof, and PRE-formance items complete every system.

Industrial – The leader in products for the most demanding harsh and hazardous location needs.

Solutions. Service. Simplicity. Based in the Midwest, EiKO has the broadest selection of lamps and fixtures.

The finest materials and latest technologies to make your lightning and grounding projects Ultra-reliable.

Leading the way in cable management, identification, and connectivity through customer-centric innovation.

The world leader in circuit and personal protection; fuses, semiconductors, relays, and electrical safety.

PVC-coated metal products proven to stand up to corrosive environments as well as the test of time!

Robroy Stainless is designed to outside corrosive, contaminates, and even the competition.

LED fixtures and coated lamps designed for the most demanding applications.

Not just every kind of copper and aluminum wire, but also SIMpull services, tools and assembled solutions.

Tubular steel conduit and fittings are made in America with American steel.
