

Schedule 40 and 80 conduit, and PVC fittings and enclosures, Cantex is your stock and service partner.

Answering the call as a lightweight, cost-effective, and resilient raceway for today and tomorrow.

**B-Line series**

Bolted Framing – Durable and adaptable channel and accessories to build and support your installation no matter what!

Cable Tray – B-Line is how to spell cable management. Tray, basket, rail, and cleats, one name is all you need.

Enclosures – Solutions for commercial and industrial applications from stock or modified to your need.

Fasteners – Speed your rough-in installations with B-Line spring steel fasteners for conduit, cable, box, and light installations. Designed to save time and frustration.

**Crouse-Hinds series**

Commercial – Steel boxes, fittings, weatherproof, and PRE-formance items complete every system.

Industrial – The leader in products for the most demanding harsh and hazardous location needs.

Solutions. Service. Simplicity. Based in the Midwest, EiKO has the broadest selection of lamps and fixtures.

The finest materials and latest technologies to make your lightning and grounding projects Ultra-reliable.

Customer-centric innovation leads the way in cable management, identification, and connectivity.

The world leader in circuit and personal protection; fuses, semiconductors, relays, and electrical safety.

PVC-coated metal products proven to stand up to corrosive environments as well as the test of time!

Robroy Stainless is designed to outshine corrosives, contaminants, and the competition.

The versatile stainless steel support system is uniquely designed for hygienic applications.

LED fixtures and coated lamps and LED fixtures for specific and demanding applications.

Wire – Not just every kind of copper and aluminum wire, but also SIMpull® services that make wire installation fast, safe, and reliable.

Lamps to Luminaires, Topaz has lighting answers indoors and outdoors, as well as for home, office, and industry.

Tubular steel conduit and fittings are made in America with American steel.
